

## **POEM FOR THE MONTH**

### **RING OUT, WILD BELLS**

Ring out, wild bells, to the wild sky,  
The flying cloud, the frosty light.  
The year is dying in the night;  
Ring out, wild bells, and let him die.  
The year is dying in the night;  
Ring out, wild bells, and let him die.

Ring out the old; ring in the new.  
Ring, happy bells, across the snow.  
The year is going; let him go.  
Ring out the false; ring in the true.  
The year is going; let him go.  
Ring out the false; ring in the true.

Ring in the valiant men and free,  
The larger heart, the kindlier hand.  
Ring out the darkness of the land;  
Ring in the Christ that is to be.  
Ring out the darkness of the land;  
Ring in the Christ that is to be.

*Alfred Lord Tennyson, 1809–1892 (abridged)*

## **NEWS FROM THE PARISHES**

### **ASHBOCKING**

With Christmas fast approaching by the time you read this the Ashbocking Christmas Bazaar will have taken place, and will hopefully have been a very positive event. The results will be published at a later date.

I just wish to thank everyone responsible for helping to make the event possible. As well as the wonderful team who have supported it from the beginning and all who helped on the day, I wish to thank all the people in the village and further afield who gave so generously to make it a special day. A full report in the next issue in February.

The next coffee morning is on Friday 1st December hosted by Sharon Chenery at No 1 Nelson Close, Ashbocking. This is the first house on the left as you enter The Green from the crossroads. We hope to complete our rota for coffee mornings and church cleaning as there are still gaps that need filling.

February's coffee morning is at Bernard and Brenda Mitchell's house, Knole House, Church Lane Claydon, IP6 0EN. Please contact Linda and John Pollard if you require directions or transport.

Both coffee mornings start at 10 am until 12 midday.

Church cleaning rota for December is Linda and John Pollard, this will be for our Carol Service which takes place on Sunday 17th December at 4pm. This will be led by Clare Sanders and we have been asked to select our favourite Carols at the coffee morning.

Unfortunately, there will be no Christmas day service in Ashbocking this year, so please do come and enjoy singing carols at our Carol service on the 17th, followed by mulled wine and mince pies. Everyone very welcome.

We are hoping to sing carols through the village again this year, and plan to start at the Crockery Barn, as we did last year, meeting at 6pm. We will then meet up with Swiland's carol singers in the Moon and Mushroom for a sing and socialise. Watch out for confirmation of details on Ashbocking's village WhatsApp.

In the new year we will be having a meeting to discuss next year's events. It is hoped that we can offer some different fundraising ideas,

such as a golfing and a family canoeing experience. We are also planning a flower festival in early summer so if you like flowers and want to have a go at arranging watch this space for further details.

We would like to wish everyone across the benefice, and the ministry team, a very happy and peaceful Christmas and New year.

## **CLOPTON**

The Remembrance Sunday Service was held at the 493rd Bombardment Group memorial. The service was led by Jane Wood and there was a gathering of about seventy people. Wreaths were laid by Richard Taylor for the 493rd Bomb. Group and by Chris Angwin for the Parish Council. The names of the fifteen men from Clopton who died in the First World War were read out and we also remembered all the men from the 493rd stationed in Debach who gave their lives in World War Two (Over 230 men).

The memorial is kept in wonderful condition by the Yallop family. After the service refreshments were served in the visitor centre on the old airfield. A big 'Thank you' to Adrian and Julie Yallop and family and friends for all the wonderful food that they provided. Thanks also to Richard and Prilly Taylor for letting us use the Visitor Centre and for providing the teas and coffees. We hope that next year as it is one hundred years since the end of World War 1 we will have one hundred people at the service!

The December Hobbies Morning will be on Wednesday 6th December from 10am until noon in the Village Hall. Everyone is welcome.

We shall be Carol Singing around parts of Clopton on Sunday 17th December starting from Thamaniya in Shop Road at 6pm. Please come and join us, you do not have to have a wonderful voice, just enthusiasm! All money collected will go to the Children's Hospice in Ipswich. The evening will end with mulled wine and mince pies at Pear Tree Farm with the Schurr family.

On Wednesday 20th December from 10am until noon is our annual Christmas Coffee Morning. Each year it is hosted by Della Hughes and Anne Pryke and they always make it very special. If you have never been to one of our Coffee Mornings come and give it a try!

We shall be decorating the church on Thursday 21st December, everyone is very welcome to come and help.

On Sunday 24th December, Christmas Eve, is our annual Candlelight Christmas Carol Service. We look forward to seeing lots of people. The service will be followed by mulled wine and mince pies. Do come and join us.

Wishing everyone a very joyful Christmas and a happy and healthy 2018.

In January the Hobbies Morning will be on Wednesday 3rd from 10am until noon and the Coffee Morning will be on Wednesday 17th from 10am until noon. Both events will be in the Village Hall.

## **OTLEY**

The Fireworks Evening was a great success, with a bigger crowd than in previous years. The rain had stopped, which encouraged people to

come, and this year there were fireworks to music which was fun. Everybody tucked in to hot dogs, soup and hot chocolate, and a good time was had by all.

More than 100 people attended the Remembrance Day service at the war memorial on a cold and sunny November morning. Revd Fred Woods led the service and the Scouts, Cubs and Beavers were on parade with their banners. Peter Rogerson, who saw active service in Aden, read the roll of honour from the memorial and, at each name, pupils from the primary school - Rocco, Phoebe and Harry - planted a poppy cross. We observed the two minutes silence and Guy Nicholls from the Ipswich Hospital Band sounded Last Post and Reveille on the trumpet. Lieut.Col. Geoffrey Mason, who served in Cyprus and Aden, read the Exhortation, and James Kelly, who served in Korea, spoke the Kohima Epitaph. Gerry Senior, representing the Scouts, read the lesson and a wreath was laid by a Scout, a Cub and a Beaver on behalf of the 1st Otley Scouts. Wreaths were then laid by representatives of the village organisations. Thank you to everybody who made this a memorable occasion. Victoria Hook organised the sale of poppies in the village - at the shop, the surgery, the school and the College - and also the wreaths, the poppy crosses and the knitted poppies, and raised a total of £969.03 for the Royal British Legion, an excellent result and more than we have raised before.

At the end of October, a service was held at church for All Souls, taken by Mark Cresswell, remembering especially people who had died during the year, but others as well. Members of their families were present to light a candle and we hope they found it helpful.

Christmas services at Otley will be Communion on Christmas morning at 11 o'clock, and the carol service on - please note - SATURDAY 16TH December at 6 o'clock, to fit in with Clare's busy schedule, with refreshments afterwards. On Christmas Eve the Chilvers family are hosting 'The Nativity' in the barn at Warrens Farm at 4.30pm. The donkeys Rosie and Molly will be playing a part, and also Joanna the sheep. Everybody is welcome, and it would be great

if the children would dress up as angels or shepherds or kings. It will be a spontaneous occasion - unrehearsed but following a script - and there will be more mince pies and mulled wine! Alyson also wants to thank everyone who took part in, or donated to, the ramble for Children in Need. It raised the wonderful amount of £204.

The Grand Christmas Draw and coffee morning will take place at the village hall on 9th December at 10.30am where there will be loads of prizes, so do call in for a coffee and hope to win something. Also, that evening will be the Christmas dinner/dance organised by the Community Council, 7.30pm till late, tickets £22.50 each from James Green tel.01473 890109.

The next monthly coffee mornings will be held on Thursday 14th December at Southview, the home of Anne and Geoff Robinson, and here at Church House on Thursday 11th January. These coffee mornings are friendly and informal, and we are always glad to welcome newcomers.

**Advance notice** - Junior TOPS will be producing "The Wizard of Oz" on 2nd and 3rd February and on 10<sup>th</sup> February we will be holding The Annual Otley Quiz – with entertaining quiz, yummy food and bar and if you are lucky a raffle. To book a table contact Ruth on 01473 890543 or 07902024976.

We are very sad to announce that Albert Taylor Balls of Greenacres in the Ipswich Road, passed away peacefully after a short illness. Albert worked tirelessly maintaining the Church grounds for over twenty-five years. He and his wife Dinah have lived in the village all their married life and Albert's parents farmed at Hall Farm in Hall Lane. We extend our condolences to Dinah and the family.

Congratulations to Beth Parish and Ian Mallet on the birth of their baby son, an early arrival who took them by surprise, a little brother for Willow.

We wish everybody a very Happy Christmas, and a happy and healthy New Year.

*Rose Rogerson*

### **Otley & District Gardening Club**

As a curtain-raiser to our November meeting we were delighted to welcome along Karen Bleay of Suffolk-based charity "The Befriending Scheme" (TBS), to spend a few minutes telling us about a new and worthwhile local educational project called 'Friends Farm Hub'. As TBS Project Manager she is setting up this initiative in partnership with Easton & Otley College in Otley. The focus is on

helping adults and young people with learning difficulties enjoy gardening and caring for small farm animals, through guided and shared activities which help develop enhanced confidence, social and practical skills and knowledge.

Starting up a project like this, needs plenty of initial and ongoing support. Karen is currently seeking help from local people, groups and organisations who might be willing to lend their time, skills, and/or donations of all sorts of surplus equipment and materials, tools, hardware, plants and bushes/trees, animal hutches, the list goes on...

The Friends Farm Hub has been given the use of a one-acre plot with some groundworks, a portacabin and poly-tunnel from Otley College, and she would like to hear from interested people and organisations who could offer support or just want to learn more about how to help make the Friends Farm Hub become a working reality making a difference to people's lives. Call Karen on 07818 262113 for more information, or email her at [karen.bleay@thebefriendingscheme.org.uk](mailto:karen.bleay@thebefriendingscheme.org.uk).

Moving on to our main speakers and their topic, Sarah Cook aided by husband Jim Marshall treated us to a very lively and fascinating talk on local artist, gardener and iris breeder Sir Cedric Morris. Sarah has impeccable gardening credentials as a Chelsea Gold Medal winner and former Head Gardener of National Trust Sissinghurst Gardens in Kent. She also holds the important National Collection of Cedric Morris bearded irises, while Jim specialises in fragrant Malmaison carnations.

We learned that Cedric Morris (1889-1982) was a *bon-viveur* character who kept a bohemian Suffolk household at Benton End near Hadleigh, and was one of the founders of the East Anglian School of Painting and Drawing (notable alumni include Lucien Freud and Maggi Hambling).

A passionate gardener, Morris bred his own strain of bearded irises over many years, for their "elegance, pride and delicacy". Not a good

record-keeper though, since his death many of the 90 or so Morris-cultivars have been "lost", and Sarah's quest has been to discover them again wherever examples can be found, from Suffolk to Germany!

At December's meeting we'll be testing our horticultural knowledge in a Christmas Gardening Quiz with question-master Matthew Tanton Brown.

All are welcome to our meetings, contact 01473 890563 for details.

## **RUSSELL LING REPORTS**

October was a very dry month with only .75 inches of rain which mostly fell during the third week, the weather was quite mild with some very sunny days. I have only ever recorded one other low autumn rainfall which was in October 1978 when we had .12 inches. The total rainfall this year has been 15.85 inches, it looks as though it is going to be a below average rainfall for the year.

Autumn in the past consisted mainly of ploughing and carting the farm yard manure onto the fields or muck spreading as it was called then. During the year when the muck layer in the animal sheds got too high and required cleaning out it was carted onto large heaps known as muck hills. After harvest was finished tumbrels drawn by horses were filled with the muck by two men using four tined forks, one of the men would take the cart to the field to unload. There would be another in the field unloading and a third coming back from the field so that there would a continuance relay of tumbrels. When the load reached the field, the muck was pulled off the tumbrel from the rear using a muck cromb. The muck cromb consisted of two metal tines six inches long and six inches apart set at an angle of seventy degrees and was fixed to an eight foot

long stave. The muck was pulled off in heaps six yards apart and six yards between rows, the tumbrel was tipped up for the last heap in order that it was completely empty for the return journey. The heaps would then have to be spread and this was done by hand using a four tine fork, one man was expected to spread one acre in a day. If the muck was ploughed in using horses again one man was expected to plough an acre in a day.

## CHRISTMAS CARDS

Time to write your Christmas cards again – what designs have you picked to send this year? Are they religious ones?

Look in the shops at all the different designs, traditional and modern. Traditional religious cards have usually included the nativity – Mary, Joseph and the baby Jesus. But what else would you count as religious? The Three Kings? The Bible doesn't say they were kings, or that there were three; just that they were Wise Men, who travelled far to bring special gifts for the baby Jesus.

Do you know why there are so many robins on Christmas cards? The first postmen in Victorian times wore red and were called robins, so robins were shown as delivering cards.

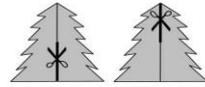

Whatever kind of card you send this year, be sure to include a kind message with love for your friends. Our love is a tiny echo of God's love for all the world.

## CARD or DECORATION

Here is a simple 3-D Christmas tree that you can use as a decoration or a card. You will need green card, crayons, glitter or paint, scissors and sticky tape.

Fold a piece of card in half, then cut it in half. Put the two pieces together and fold them in half again.

Draw half a Christmas tree opposite the fold. Cut along the line and you will have 2 identical trees. Fold the trees in half, very lightly, hardly creasing the centre line to mark the centre of the tree. Cut a slit along the bottom half of the centre of

of the other tree. Slip the two trees together along the slits. To help the tree to stand firmly, use sticky tape to fasten the parts together where they meet.

Decorate the tree. If you are using it as a card then leave an area free of decorations so that you can write on it.
